Commissioner Wirkner asked if the Prosecuting Attorney had reviewed the contract for form and function yet. Mr. Wohlwend advised no. Commissioner Wirkner asked the Prosecuting Attorney to review the agreement before the Board signs. Mr. Wohlwend agreed.

2. That Section 6.3.02 be amended by:

  - b. PUBLIC HEARING - VACATE HARVEST ROAD** 9:45 AM

Commissioner Ohler advised those present that it is now time to conduct the public hearing to vacate a portion of Harvest Road as requested by Rose Township Trustees. A legal notice was placed in the Free Press Standard on May 11 and 18, 2017 advising of the viewing and hearing. The viewing took place at the site on Wednesday, May 31, 2017 beginning at 9:30 a.m. those present for the viewing where: Jeffrey L. Ohler; Robert E. Wirkner; Lewis A Mickley; Brian Wise; Julie Ward; Rod Yoder; Chris Kiehl; Jon Ward; John Miday and Clara Miday. Brian Wise, Engineer, provided a letter which recommended the vacation of Harvest Road. Commissioner Ohler questioned if there was anyone present who wished to speak against or for vacating Harvest Road: Alan Weir advised he is against the vacation because many have a dedicated but non-maintained status and if the road is vacated then no one can buy a piece of property because there would be no frontage. Mr. Weir believes if the road remains in a non-maintained status but not vacated then the property could be split up and the new purchaser would have road frontage. John Miday advised he owns property along the proposed vacated road and feels that it should stay non-maintained because the roadway is being used by farmers to access different properties. Mr. Miday advised he would like to see an additional 250 feet of Harvest Road un-vacated because at this point the township and mail carrier is using his driveway as a turnaround. Joe Little, Rose Township Trustee, advised that the reason the township went through their list of non-maintained roads is because they had a scare from a resident who demanded the township bring the roadway up to standards. The prosecutor gave conflicting opinions on whose responsibility it was to re-open the road. Initially, it was said it would be the township's responsibility but such a demand would bankrupt the township. This is why the trustees are still pursuing the road vacations. Mr. Little advised they trustees are fine leaving the roadway as non-maintained as long as it will not be the township's responsibility to bring it back to standards in the future. Lois Frase advised that closing the road would devalue her land. She explained the non-maintained status is the way it has been for years and should remain because it hasn't hurt the township yet and she can't see how it ever will. Bill Findley advised a portion of his property is on Harvest Road and he is opposed to the road vacation. Larry Bittaker advised his property is on Harvest Road and advised he is opposed to vacating the road because that may limit access to potential oil and gas drilling locations in the future. Dennis Frase advised he farms his mother's property and uses the non-maintained portion of Harvest Road regularly with his farming equipment, and he is against the closing.

\*\*\*\*\*

**Motion:** to deny the request of the Rose Township Trustees to vacate a portion of Harvest Road in Rose Township, **Action:** Vote was recorded as follows: YEA: President Jeffrey L Ohler, Vice President Robert E Wirkner, and Commissioner Lewis A Mickley; NEY: None; ABSENT: None; ABSTAIN: None, **Moved by** Vice President Robert E Wirkner, **Seconded by** Commissioner Lewis A Mickley.

Motion carried on unanimous vote.

 9:54 AMPublic hearing closed at  9:57 AM.**IN THE MATTER OF  
PUBLIC HEARING - VACATE THISTLE ROAD** 9:58 AM

Commissioner Ohler advised those present that it is now time to conduct the public hearing to vacate Thistle Road in its entirety as requested by Rose Township Trustees. A legal notice was placed in the Free Press Standard on May 11 and 18, 2017 advising of the viewing and hearing. The viewing took place at the site on Wednesday, May 31, 2017 beginning at 9:30 a.m. those present for the viewing where: Jeffrey L. Ohler; Robert E. Wirkner; Lewis A Mickley; Jon Ward; Brian Wise; Chris Kiehl; Rod Yoder; Julie Ward; and Jan Kennedy. Brian Wise, Engineer, provided a letter which recommended the vacation of Thistle Road. Commissioner Ohler questioned if there was anyone present who wished to speak against or for vacating Thistle Road: Alan Weir advised he is against the vacation because if the road is vacated then it's near impossible to bring it back. He advised if it is non-maintained a future property owner should be required to bring the road back. Commissioner Wirkner advised based on his observations he is in favor of denying the township's request. Joe Little, Rose Township Trustee, asked if Commissioner Wirkner could clarify his observations. Commissioner Wirkner advised he felt the descriptions in the vacation documents are so vague that when he met with the Engineers; staff, they were not able to locate with certainty the location of the roadway. Rod Yoder, Deputy Surveyor for the Engineer's Office, advised a recorded document from 1906 was located that already vacated a portion of Thistle Road but the description is only clear as to where the vacation starts but not where it ends. Mr. Yoder feels there was a parcel landlocked in 1906. Mr. Yoder advised the Wheeler Bill contradicts the recorded vacation of 1906. Commissioner Wirkner advised when they were onsite to view the roadway no one could show him where the roadway is and where the existing vacation is located. Mike Geiser advised that road has always been on the map and the reason it was placed on the non-maintained status is because if the roadway is on the map but not classified as non-maintained then the township must bring the road up to standards.

\*\*\*\*\*

**Motion:** to deny the request of the Rose Township Trustees to vacate Thistle Road in its entirety in Rose Township and to order the Clerk or Assistant Clerk to prepare a Resolution regarding same, **Action:** Vote was recorded as follows: YEA: Vice President Robert E Wirkner, and Commissioner Lewis A Mickley; NEY: None; ABSENT: None; ABSTAIN: President Jeffrey L Ohler, **Moved by** Vice President Robert E. Commissioner Ohler questioned if there was anyone present who wished to speak for or against vacating Honor Road: Alan Weir advised he is against the vacation for the same reasons he noted above for Thistle and Harvest Roads. Commissioner Wirkner advised that upon inspection there is no road at all. Joe Little, Rose Township Trustee advised the property owner is requesting the road vacation as well.

PUBLIC HEARING - VACATE HOPE ROAD**

 10:10 AM

Commissioner Ohler advised those present that it is now time to conduct the public hearing to vacate a portion of Hope Road as requested by Rose Township Trustees. A legal notice was placed in the Free Press Standard on May 11 and 18, 2017 advising of the viewing and hearing. The viewing took place at the site on Wednesday, May 31, 2017 beginning at 9:30 a.m. those present for the viewing where: Jeffrey L. Ohler; Robert E. Wirkner; Lewis A Mickley; Jon Ward; Julie Ward; Brian Wise; Rod Yoder; and Chris Kiehl. Brian Wise, Engineer, provided a letter which recommended the vacation of Hope Road. Commissioner Ohler asked if this was the portion reached by 4-wheeler. Commissioner Wirkner advised there is some confusion on this road. Joe Little, Rose Township trustee, advised this is just a piece of Hope Road from Brass to Imperial Road. There is one property owner on that portion requesting the vacation. Rod Yoder, Deputy Surveyor for the Engineer’s Office, advised the Board did not view that portion. Alan Weir advised that recently a property owner requested a half mile of Hope Road to be reopened. Joe Little, Rose Township Trustee, advised that they were requesting a different section of Hope Road and this proposed vacation isn’t near them. Commissioner Wirkner advised the portion being discussed had a lake across part of it.

**IN THE MATTER OF  
PUBLIC HEARING - VACATE HEMP ROAD**

 10:14 AM

Commissioner Ohler advised those present that it is now time to conduct the public hearing to vacate a portion of Hemp Road as requested by Rose Township Trustees. A legal notice was placed in the Free Press Standard on May 11 and 18, 2017 advising of the viewing and hearing. The viewing took place at the site on Wednesday, May 31, 2017 beginning at 9:30 a.m. those present for the viewing where: Jeffrey L. Ohler; Robert E. Wirkner; Lewis A Mickley; Chris Kiehl; Rod Yoder; Julie Ward; Brian Wise; and Jon Ward. Brian Wise, Engineer, provided a letter which recommended the vacation of Hemp Road. Commissioner Ohler questioned if there was anyone present who wished to speak for or against vacating Hemp Road: Mike Geiser advised that vacating Hemp Road would eliminate access to the back part of his property. Commissioner Wirkner advised he thought access to the back portion of the property was provided by Holiday Road. Mr. Geiser advised it does not. Joe Little, Rose Township Trustee, advised that the section Mr. Geiser thinks that we are vacating we are not. Commissioner Ohler advised the portion to be vacated is the portion that runs through the woods. Mr. Little advised the .4 mile listed on the Wheeler Bill stays the same and ends on Mr. Geiser’s field. The portion to be vacated is where the turn is towards Clay Road. Mr. Geiser advised 75% of his property is on Hemp Road. Rod Yoder, Deputy Surveyor for the Engineer’s Office, reviewed the map with the Board. Mr. Geiser doesn’t want to see any of the roadway vacated because it might limit a pipeline from being installed. Commissioner Ohler asked if it would cause a hardship to Mr. Geiser if the road was closed. He advised no, not right now. Commissioner Wirkner advised the property owner wants it to remain as is, non-maintained. Mr. Little advised it would not affect the Township now but it could in the future if the Township would be required to bring the road up to standards. Commissioner Wirkner advised he would consider returning the road vacation of Hemp Road to the Rose Township Trustees for their further consideration. Mr. Little advised this is the first he is hearing Mr. Geiser is wanting the entire road left as is and would like a chance to discuss the matter with the other trustees.

**IN THE MATTER OF  
AD VALOREM TAX**

 10:27 AM

Alan Weir advised that all of the townships are financially strapped and asked if the Commissioners would be able to help them out with the Ad Valorem tax. Mr. Weir advised the tax generates millions of dollars but he's not sure how it's distributed. Commissioner Ohler advised that the Ad Valorem Tax does generate millions of dollars and the county received about 650,000 from the tax revenue in 2016 however we also experienced a sales tax revenue loss of approximately the same amount. Commissioner Wirkner advised the Board did give the townships an extra 10% in the Local Government Funds. Commissioner Mickley advised that there is a formula in place that splits up the Ad Valorem Tax and some of the tax revenue does go to the townships providing they have a well in their township.
