PUBLIC HEARING  
TRANSIT**

 9:35 AM

The time having arrived to hold the public hearing for the Carroll County Transit application, the following were present Nancy Schaar, Jeffrey L. Ohler, Robert E. Wirkner, Lewis A. Mickley, Sonja Leggett, and Christopher R. Modranski. The public hearing is being held today for notification that Carroll County Transit on behalf of the Carroll County Commissioners is applying to the Ohio Department of Transportation for an operating and capital assistance grant under 49 U.S.C. Section 5311 and 5339 of the Federal Transit Laws, as codified and the Ohio Public Transportation Grant Program. The operating grant will provide financial assistance for public transportation for Carroll County during CY2018. The service currently operates Monday-Friday, 6:00 a.m. to 6:00 p.m. All persons within Carroll County, including wheelchair users, must schedule service 24 hours in advance. Ms. Leggett reminded everyone that there is an answering machine so cancelation messages can be left. Riders must cancel with a minimum 2 hour notice. This will accommodate our riders. Fares are currently as follows (based on a one-way trip, no changes):

Within Village of Carrollton \$2.50

Within Carroll County \$4.50

Out-of-County \$7.50

(More than 40 miles one-way is an additional \$.25 per mile)

Same day service – is an additional \$1.00 per one-way trip based on availability. Children 5 and under and accompanied by an adult ride for free.

Additional \$10.00 per hour charge if the driver is needed to wait longer than 1 hour and 15 minutes for passengers i.e. trips to Columbus or extended shopping trips

The proposed operating budget for CY2018 is \$714,261.00. The application process for 2018 will be an “RFP” or Request for Proposal for federal and state funding as it has been in the previous year. Funding will be based on performance criteria such as cost per mile, cost per trip, etc. and also the amount of funds available for distribution. We have applied for a federal allocation of \$252,000 (last year \$235,000) and state allocation of \$50,000 (last year \$10,000). The proposed capital maintenance budget for CY2017 is \$19,230 (last year \$20,000) in federal funds for the capitalized maintenance; state funding is not available for our capital maintenance projects for 2018. The proposed capital projects are for the purchase of two (2) Modified Mini Van Vehicle (MMV) with federal funds of \$66,760. Ridership for CY2016 increase by 10% or 2,179 passengers’ trips compared to CY 2015 (20,307). We had a total of 22,486 passenger trips in 2016. During 2016 we increased our operating hours to 6 am-6pm. I am still looking for an increase due to receiving our Medicaid Provider Number for the Non-Medical Transportation service through the DODD. Ms. Leggett explained that in the 1<sup>st</sup> half of 2016 we had 10,999 passenger trips and in the 1<sup>st</sup> half of 2017 we had 12,094 passenger trips which is an increase of 1,095 this year already. Commissioner Wirkner asked if the increase of operating hours have you managed to recover the lost passengers. Ms. Leggett advised with the 10% increase last year and this year’s increase we should be about back to where we were and we are still going to have more of an increase once more people know that we are a Non-Medical Transportation Service for Medicaid. Ms. Leggett advised she will be meeting with the Senior Center and Job and Family Services about being another option for their Medicaid clients.
