Re: Carroll County Child Support Enforcement Agency
Annual Report for 2016

Gentlemen:

The 2016 annual report for the Carroll County Child Support Enforcement Agency is as follows:

2016 collections, include amounts for Child Support, Spousal Support and/or Medical Support, paid to the Family and/or the ODJFS for Public Assistance, amounted to \$ 3,865,085.90,

During 2016, 94 new cases were filed with Orders, 743 Contempt Hearings held and 194 Administrative Review hearings filed for enforcement of cases and as of December 31, 2016 there are currently 1,413 active support cases,

For FFY 2016, the CSEA's Performance Percentages for Paternity Establishment, Support Establishment, Current Support Collections and Support Arrearage Collections were all in compliance with procedure regulations,

In 2016 the agency had one employee resign and one new employee hired; and

To the best of our knowledge and understanding, the CSEA is in compliance with all federal and state bookkeeping and procedure regulations.

Sincerely,

Shelley A. Martin, Director
