IN THE MATTER OF

AUDITOR'S OFFICE - PAYROLL SOFTWARE

🔰 9:11 AM

Commissioner Wirkner asked several questions of Auditor Lynn Fairclough regarding the new payroll software. He asked how the Commissioners will approve/sign under the new system. Ms. Fairclough believes Janice Leggett, Commissioners' Clerk Supervisor, will be able to print off reports for all offices under the Commissioners. Ms. Fairclough said her office will not need a hard copy of the payroll because it is being uploaded to them electronically. Ms. Leggett asked for clarification on what her role will be as she currently only handles payroll for her staff in the Commissioners' Office. Ms. Fairclough believes payroll from offices like the Dog Warden will be given to Ms. Leggett as well. Ms. Leggett advised she does not want to be involved in any other department's payroll and thought the software would allow each department head to handle his/her own payroll. Commissioner Mickley advised his confusion is that currently the Payroll Transmittal sheets require a Commissioner's signature, so what type of approval process carries over into the new system. Ms. Fairclough will look into these questions.
