

Carroll County OPWC Local Advisory Committee

Project Submittal Process

The Carroll County OPWC Local Advisory Committee (CCLAC) has established the following process to coordinate projects for the current funding round prior to submission to the District 14 Integrating Committee for approval.

The goal of the CCLAC is to submit the strongest slate of projects with the best chance of being funded. By working together, we can have a better chance of bringing OPWC money to our area.

All projects seeking funding for the current funding round will need to have a Pre-Application Submittal Packet to the County Engineer 90 days before the OPWC Application Deadline.

The deadline for Pre-Application Submittal for **Funding Round 36** is **4 PM, Friday, July 30, 2021.**
The CCLAC will not accept any projects for consideration after this deadline.

THESE DATES ARE SUBJECT TO CHANGE WITHOUT NOTICE. PLEASE CHECK FOR FREQUENT UPDATES TO THIS INFORMATION DUE TO COVID-19 RELATED ISSUES THAT COULD IMPACT THE OPWC PROJECT SUBMITTAL SCHEDULE.

The Pre-Application Submittal Packet will include:

1. The name of the agency sponsoring the project
2. A brief description of the proposed work
3. A rough estimate of project cost

Please refer to OPWC District 14 Integrating Committee Methodology for instructions regarding formal application submittal and deadline dates. This information is located on the OPWC website at: <http://www.pwc.state.oh.us/District14.html>

An original and two (2) copies of each completed application must be delivered to the County Engineer's Office by the District submission deadline.
