SEPTEMBER

2021

FROM THE DESK OF THE SUPERINTENDENT

Hello family and friends. As most of you already know, all visitations are on hold until further notice. We will continue to keep families updated as things change. Unfortunately, our Open House that was set to be on Saturday September 4th, is cancelled. We were all looking forward to a day outside enjoying entertainment, great food, family and friends. If you have any questions or concerns with our recent changes, please call me. On a positive note, I have some great news to share! The funds for our HVAC project have been approved! It looks like we will be starting this project the first of September! Thank you all for the support and cooperation. Stay safe and healthy.

BUZZ WORTHY FACTS ABOUT HONEY

In honor of National Honey month, here are some fun facts all about that sweet treat!

- 1. HONEY NEVER SPOILS.** When sealed in an airtight container, honey is one of the few foods known to have an eternal shelf life.
- 2. BEES MAKE A LOT OF HONEY.** A typical beehive can produce anywhere from 30 to 100 pounds of honey a year.
- 3. HONEY WAS A HOT COMMODITY IN MEDIEVAL EUROPE.** In 11th century Germany, honey was so highly valued for its beer-sweetening abilities that German feudal lords required their peasants to make them payments of honey and beeswax.
- 4. BEES SURVIVE ON HONEY IN THE WINTER.** Bees work hard all summer to ensure they'll have enough honey to sustain the hive through the winter.
- 5. HONEY IS MEDICINAL.** Evidence of honey being prescribed as a medical treatment dates back as far as ancient Mesopotamia. This is due to the substance is so inhospitable to bacteria.

What is a Grandparent?

In honor of Grandparent's Day on September 12th here are some of the answers a third-grade teacher got from some of her students when she asked them "What is a Grandparent?"

1. Grandparents are a lady and a man who have no little children of their own. They like other people's.
2. A grandfather is a man and a grandmother is a lady.
3. Grandparents don't have to do anything except be there when we come to see them.
4. When they take us for walks, they slow down past things like pretty leaves and caterpillars.
5. They don't say "Hurry up."
6. They wear glasses and funny underwear.
7. They can take their teeth and gums out!
8. They have the answer to questions like "Why isn't God married?" and "Why do dogs chase cats?"
9. It's funny when they bend over; you hear gas leaks, and they blame their dog.
10. Grandma lives at the airport. When we want to have a visit with her, we just go and get her. Then when she's done having her visit, we take her back to the airport.

KOOKIN' WITH KASEY

It's almost time for school again, here is our favorite chocolate chip cookie recipe to share with our family and friends.

Chocolate Chip Cookies
