#### IN THE MATTER OF BUILDING IMPROVEMENTS

# 🔰 9:24 AM

Ed Eick, Maintenance Supervisor appeared before the Board to discuss building improvements. Mr. Eick advised that he received an estimate from Lighting Dynamics Inc. to add more colors to the Bell Tower. Currently there are only six basic color options. Mr. Eick advised that the quote was almost six thousand dollars to add another controller which would offer more colors. This price included \$2,500.00 for training. Mr. Eick felt that the price was high, and he discussed this with the company. Lighting Dynamics only offered a discount of \$200.00. Mr. Eick advised that he felt that it was too expensive at this time but could be considered in the future. Commissioner Ohler advised that he was satisfied with the color options that were currently available. Commissioner Wirkner agreed that the six current colors were adequate to use through the various seasons and he did not see a need for an upgrade. Mr. Eick advised that he had a few other projects at the Courthouse that he would like to get done this year. The first one is to redo the floor at the first-floor level. Mr. Eick advised that his predecessor had painted the floor with wall paint. Mr. Eick advised that he repainted the floor with a latex floor paint that is used in garages and there is way too much foot traffic in the Courthouse for that to hold up. Mr. Eick advised that he is looking into having a commercial epoxy applied. Mr. Eick advised that it would be maintenance free except for cleaning and it should have a 10–15-year lifespan. The cost would be somewhere between \$4,500.00 and \$6,500.00. Mr. Eick advised that he would also like to discuss the balcony on the front of the Courthouse. Mr. Eick advised that every year there are a lot of bird droppings on the balcony that he must clean up by climbing out the window in the Clerk of Courts office. Mr. Eick advised that it would be dangerous to access the balcony from outside because it is 35 feet from the ground. Mr. Eick advised that the drain does not offer enough slope to allow for adequate drainage of the droppings and he would like to have a wedge built at a height of four inches starting on the south side of the balcony and sloping down to drain level on the north side. Mr. Eick feels that this will offer adequate drainage for bird droppings. Mr. Eick advised that when the balcony was redone, there was a slope built

using foam but over time, the foam was smashed down and now he is seeing a lot of pooling of water when it rains. Commissioner Wirkner asked Mr. Eick if he had obtained an estimate. Mr. Eick advised that he did not obtain an estimate yet. He did procure an estimate from Exact Prowash to clean the balcony areas and windows and it was going to cost \$1,000.00. Mr. Eick advised that he cleaned it himself and he would like to invest that money towards a more permanent solution. Commissioner Wirkner advised that he is anxious to see the cost of the estimate. Mr. Eick looked at an old estimate from 2014 to tear out the old balcony and install a new one and it was \$10,000.00. Mr. Eick does not think that installing a simple wood platform is going to cost that much. Mr. Eick advised that he would bring the quotes to the Commissioners office once they are obtained.

#### IN THE MATTER OF **CLERK'S REPORT**

# 🔰 9:35 AM

Ronald M. Nuzzolillo Jr, Assistant Clerk I advised that last week, the Ohio Supreme Court once again struck down the proposed state legislative district lines established by the Ohio Redistricting Commission. Mr. Nuzzolillo advised that Secretary of State Frank LaRose sent a letter to state lawmakers stating, "as a result of last night's decision by the Ohio Supreme Court, our 88 county boards of elections can no longer include contests for the state House and state Senate in the May 3, 2022, primary election." The Ohio General Assembly will likely determine the next steps for Ohio's primary election process. There are two potential scenarios lawmakers may consider. One option is to move the entire primary contest to a later date, potentially in June or July. The second option would be to split the primary contest, with statewide, local, and congressional contests taking place on May 3<sup>rd</sup>, while state legislative races would be decided later in the summer. Mr. Nuzzolillo advised that, as of now, election preparation work continues for the May 3<sup>rd</sup> primary for statewide, local, and congressional contests. Mr. Nuzzolillo advised that he will update the Board when more information is available.
