

# RECYCLING

- Recycling just 48 cans is the energy equivalent of conserving one gallon of gas.
- Since 1990, the paper recovered through US recycling efforts would fill 200 football stadiums to a height of 100 feet.
- The most recycled consumer product in America is the automobile, with 26 cars being recycled every minute.
- Every ton of recycled paper saves 17 trees and 462 gallons of oil.
- One pound of newspaper can be recycled into 6 cereal boxes or egg cartons.
